

## "MEETINGS ON WHEELS"

This service program has been created to take a standard AA meeting to current members of AA who are temporarily unable to attend their regularly scheduled meetings due to accident, illness, or debilitating medical condition. Meetings may be held in homes, hospitals, nursing homes, assisted living facilities or rehabilitation centers.

**IF YOU are an active AA member and need a MEETING ON WHEELS**

call Louisville Central Office at (502) 582-1849

### **VOLUNTEERING or QUESTIONS**

E-mail: [meetingonwheels@aol.com](mailto:meetingonwheels@aol.com)

We need **VOLUNTEERS** for our metro area program.

- We need **Regular Volunteers** who would be willing to participate in taking AA meetings to members in need.
- We also need **Volunteer Coordinator Recruiters** who would take the lead in recruiting Regular Volunteers from their local area (Club or Groups) to participate in our program.
- All Volunteers should have at least 1 year sobriety, be able to use E-mail, be able to coordinate their own transportation to a meeting and participate in a brief orientation.
- If your Club or AA Group has a number of members interested in volunteering, arrangements can be made to have one of our Coordinators provide an on-site *Volunteer Orientation Meeting*. E-mail [meetingonwheels@aol.com](mailto:meetingonwheels@aol.com) for more information.
